Summary

- Brand new high quality offices.
- Ideally located close to St Austell and the A30.
- BREEAM 'Excellent'.
- Manned reception and shared meeting room facilities.
- Fibre broadband connection to the premises.

Location:

The Carludon Technology Park is located on the outskirts of St Austell on the A391. St Austell is a principal town in Cornwall providing a wide range of amenities, services and industry along with a large permanent population of circa 34,700.

Transport links are excellent with a mainline railway station in the town centre, Newquay International Airport (daily flights to London and other UK / EU destinations) 20 minutes to the West, The A30 10 minutes to the North and the A39 5 minutes to the South which provides access to Truro and Plymouth.

Description:

The Carludon Technology Park Project is part-funded by the European Regional Development Fund. ESAM is the first development in the Carludon Technology Park providing high quality office, industrial and workshop accommodation set within a beautiful environment with views over the Cornish landscape. The building is constructed to a high level of energy efficiency and is BREEAM "Excellent".

Occupiers benefit from a manned reception, fibre broadband connection to the premises, shared meeting rooms, kitchens, break out areas, shower facilities and onsite parking with electric car charging facilities.

Accommodation:

All areas are approximate and measured in accordance with the RICS Property Measurement (2nd Edition).
