Location:

Watermouth Lodges are situated close to the villages of Berryarbor and Combe Martin, a few miles to the North of Ilfracombe, on the North Devon coast and close to Exmoor National Park. It is a popular tourist destination with main attractions nearby.

The nearest town is Ilfracombe, being a coastal town and fishing port with a population of approximately 11,000. The nearest major centre is Barnstaple,

approximately twelve miles to the south with branch line rail links to Exeter. Road communications are via the North Devon link road, which connects with the national motorway network at Tiverton.

The site is accessed via a shared driveway to Watermouth Castle. The access is opposite Watermouth Harbour and Sexton's Burrow, both of which provide a scenic background.

Description:

Watermouth Lodges are set within a scenic woodland setting overlooking Sexton's Burrow and Watermouth Cove. The park comprises a holiday lodge site with 42 lodges, with a number believed to be privately owned and paying ground rents.

Communal amenities include a bar and restaurant, indoor and outdoor play areas and outdoor swimming pool. In addition, there is an owner's 3 bed house and former pool complex. The site slopes up from the North East to the highest point in the South West. The development is terraced with three main rows of lodges to the top of the site. The reception building is located at the bottom of the site. The lodges are bordered on the South by woods which also border the Watermouth Castle Estate.

Accommodation:

The communal reception building is timber clad with a bar, restaurant, kitchen, stores, children's soft play area, and communal WC facilities. To the outside of the restaurant area is a timber decked terrace with outdoor swimming pool and WCs, a children's outdoor play area and a fire pit seating area. In addition and within the complex there is an enclosed tarmac tennis court/football pitch, meeting room and a number of parking areas within the landscaped design. Each lodge has a designated parking space.

The site owner accommodation adjoins the reception building and comprises an open plan kitchen/diner, office, WC and sitting room on the ground floor and a first floor galleried landing with three bedrooms and bathroom WC.

The lodges range from 1 bedroom to 4 bedroom and we understand the majority were built in the late 1980's / early 1990's with the remainder built between 2005 - 2007. There are 2x 4 bed, 12x 3 bed, 26x 2 bed and 2x 1bed.

The Lodges provide fully fitted kitchens and bathrooms, some with ensembles, open plan kitchens, sitting and dining rooms. In addition, the Lodges provide decked terraces or gardens outside. In essence they all provide well maintained single storey, self catering holiday accommodation.

We have measured a number of lodges as below. All areas are approximate and measured in accordance with the RICS Property Measurement (2nd Edition) on a gross internal basis.
