Location:

Totnes is the second largest town in the South Hams with a population of approximately 10,000 people and serves a large area of surrounding parishes. The town is known for its vitality and creativity, with a nationally recognised heritage, including a medieval town-centre layout.

The attractiveness and ease of accessibility to the surrounding countryside, ensure that Totnes is regarded as a desirable place to live & work. It also benefits from national mainline railway links to London.

The unit is located within the new Churchill Retirement Living development which is situated between Fore

Street and Station Road being only a minutes walk from the town centre. The unit is positioned in an independent retail location and will benefit from further footfall from the development on completion.

Description:

The prominent unit consists of a good sized ground floor sales area with w/c to the rear. The unit is positioned on an end of terrace location and is highly visible from the street. Newly carpeted throughout. There is opportunity for limited outside seating subject to Landlord's discretion. There is also public parking located nearby generating good footfall within the area.

Unit 1 has been purposely designed and built to combine with the next door unit. The units have been designed with future-proofing in mind, allowing for easy combination with minimal structural work. The necessary structural steel is already in place, enabling a future tenant to create a larger single unit if needed. (Subject to any appropriate consents being held).

Accommodation:

All areas are approximate, measured as GIA and information provided from clients management records.
