- Three parking spaces
- One, 4 bedroom home
- Two, 2 bedroom homes
- Two, 3 bedroom homes
- Unusual opportunity for development within popular coastal town
- Of interest to self-build buyers and local developers

Location:

St Ives is a seaside harbour town in Cornwall which lies on the Celtic Sea. The town is well known as one of Cornwall's most desirable locations having a resident population of around 11,200 in addition to benefitting from a significant amount of tourism. The town is linked to the main railway line by a branch between St Ives and St Erth.

The former Sheaf of Wheat site is located on Chapel Street at the junction of North Terrace and Wesley Place. It provides for an excellent location within the town, close to the harbour and beaches.

Description:

A cleared site for development of 5 residential homes within the town for use as principal residences. Planning granted and certificate of lawfulness to secure the consent for a terrace to comprise two 3 bedroom, two 2 bedroom and one 4 bedroom homes, each with their own rear garden. The scheme includes 3 parking spaces.
