Truro is located on the main Great Western railway line, which has daily services to London Paddington. Truro has a resident population of 23,600 and is the administrative centre of the County housing Cornwall Council's main offices.

Haven House is in a high profile location on the edge of the city centre, very visible to Morlaix Avenue which carries a high volume of traffic through the city yet still within easy level walking distance of all Truro's retail, leisure and other amenities.

Description:

The property is a substantial detached office building, purpose built as HQ style premises with accommodation on four floors with staircases and a passenger lift serving all levels. There are also wc facilities on all floors.

Due to the layout of the building it has good levels of natural light to most parts and currently comprises a mix of offices from larger open plan areas to smaller rooms. Most partitions are non structural so the layout can be fine tuned by occupiers to suit their requirements. There are wide ranging views from the building over the City, Cathedral and Truro River making an interesting and attractive outlook. There is parking to the front for approximately 8/10 cars and 6/7 to the rear.

Accommodation:
