DESCRIPTION

The property comprises an end-terrace warehouse constructed with steel sheet cladding. It features a substantial yard area of approximately 1,700 sq ft (157.9 sq m). Access is provided via a pedestrian entrance and electric roller shutter loading doors at the front. The premises include fitted office and welfare facilities, along with on-site parking to the front. The unit is also equipped with 3-phase power.

LOCATION

The property is located on Greendale Business Park which enjoys a strategic location, just 3.5 miles from junction 30 of the M5 motorway on the A3052 Exeter to Sidmouth road. The A30 dual carriageway is 5 miles to the north-west of the Park, and Exeter International Airport is 3.5 miles to the north. Exeter city centre lies 7 miles to the west.

Although the Business Park is conveniently sited for access to the busy hub of Exeter, its more rural setting, away from the city's busier roads, offers an easier, less congested commute to work. The Park is carefully landscaped to mirror the surrounding Devon countryside, making for a greener, more open working environment.

More information regarding directions can be found on the Greendale Business Park Website:
