Location:

The property occupies a central position along The Avenue, the town's principal retail and commercial thoroughfare, benefiting from strong footfall throughout the year driven by both the resident population and the town's thriving tourism sector. Minehead is well known as the gateway to Exmoor National Park and remains one of West Somerset's most popular coastal destinations.

Description:

A rare opportunity to acquire a prominently positioned freehold property situated within the heart of the busy seaside town of Minehead, close to a variety of national and independent retailers, cafés and amenities.

The building comprises two ground floor commercial units, let to established take-away/restaurants, with a self-contained maisonette let on an Assured Shorthold Tenancy, arranged over the upper parts. This well presented property now offers scope for a variety of potential uses including continued commercial occupation, mixed-use investment, or perhaps reconfiguration of the upper accommodation, subject to all necessary consents being obtainable.

Properties in this established trading location are rarely available and the sale therefore represents an attractive opportunity for investor seeking a well-located freehold asset within a popular coastal town.
